

Certified Eden Alternative Training

"A New Direction In Elder Care"

Changing lives for over twenty years, Certified Eden Associate Training is an exciting and challenging 3-day journey into the world of person-directed care. As the most widely practiced, comprehensive approach to person-directed care, Certified Eden Associate Training has been proven to offer practical tools, resources, and inspiration that empower individuals and teams to initiate and maintain effective change in long-term care.

Through our Ten Principle approach to person-directed care, participants will:

- Tap into the cutting edge of the person-directed care movement;
- Return equipped and inspired to initiate change;
- Gain powerful team building skills to strengthen care partnerships;
- Learn how person-directed care drives improved quality and financial performance;
- Get connected to a broad network of person-directed care resources worldwide; and
- Contribute to reframing the culture of care and perceptions of aging in our society

A Certificate of Attendance is issued leading to Certified Eden Associate status upon successful completion of course work 6 weeks after the 3 day training. Refreshments, lunch and course materials are included in the registration fee.
